OFFICE OF LEGISLATIVE COUNSEL

Thursday - 3 October 1963

- 25X1 1. [] Received from Mrs. Stockstill, House Armed Services Committee Staff, several copies of classified stenographic transcripts of hearings, reproduction matters, and stenographic tapes (the latter two items for distribution). With Mr. Smart leaving the Committee staff, Mrs. Stockstill is apparently reviewing classified materials held by the Committee and reducing her files to single copies of transcripts.
- 25X1 2. [] Met with Representative John E. Moss, (D., Cal.) and discussed briefly H. R. 8427, the Agency Early Retirement bill. Mr. Moss indicated that he was familiar with the fact of the bill. He had no questions, however, concerning it.
- 25X1 3. [] Met with Mr. Julian G. Sourwine, Counsel, Senate Internal Security Subcommittee, and thanked him for his courtesy in advising us concerning committee interest in [] and for holding off contact with the individual during this past week. Advised Mr. Sourwine that Agency interest in [] had been satisfied. 25X1 25X1
- STAT 4. [] Talked with Phyllis Plotrow in the office of Senator Keating concerning a recent report of the CRC forwarded by Keating to the Agency. This was discussed in terms of the memorandum and notes furnished from the DD/I. There were no particular problems involved and Miss Plotrow thanked me on behalf of the Senator.
- STAT 5. [] Spencer Beresford now in private practice stated that he had been called by Representative Carl Elliott who is chairman of the new House Select Committee to look into research and development. Elliott had desired Beresford's assistance on this new Committee and Beresford will cooperate on a contract basis. The purpose of Beresford's call was to see if we could possibly suggest people to staff this Committee in the positions of a technical director, counsel and possible clerical. I said I would look into this and advise.
